Hello,

You are receiving this email because you have submitted your intent to participate in the High Lift Prediction Workshop, either by signing up on the website (<http://hiliftpw.larc.nasa.gov/>) or through email to this address. If this is not your intent, please notify me and I will remove your email from our list.

Please standby for updates regarding schedule, geometry, grids, test cases, and data formats.

We will send out information as it becomes available.

Thanks for your interest.
